

## Océ TDS750 multifunction system

# Rising above

### Fast, easy, dependable large format system

Rise above your current large format capability with the Océ TDS750 multifunction system. Print, reproduce, and scan technical documents faster and easier, with higher quality than ever before. The Océ TDS750 is ideal to address the demanding deadlines required in a peak performance departmental print setting or a productive, central print room environment. Based on the multi-award-winning Océ TDS700 multifunction system, the Océ TDS750 multifunction system can provide long-lasting performance and consistent results for years to come.

### Fast—productive, peak performance

The Océ TDS750 multifunction system provides fast print output from a cold start with the instant-on behavior of the Océ Radiant Fusing technology. Receive over 27 D-size prints, before others have even started printing. Meet the most challenging deadlines with the consistent 9 D-size prints per minute even when printing mixed sizes. Scan and copy as-builts, color markup, and other technical documents in one quick and easy step for immediate archiving and distribution.

### Easy—intuitive, ergonomic features

Everything in the Océ TDS750 multifunction system, from media roll placement to output delivery, has been carefully designed with the user in mind, making it ergonomic and intuitive. The green button scanning offers great quality output at the touch of a button without the need for troubleshooting. Thanks to the low noise, ozone, and heat emissions of the environmentally-friendly Océ Radiant Fusing technology, the Océ TDS750 multifunction system can be comfortably placed within a departmental print setting.

### Dependable—quality and reliability

The Océ TDS750 multifunction system is built to last with durable, hard wearing parts, providing dependable uptime with fewer jams and service calls. With advanced Océ print and scan technology, users can have confidence that the print/copy/scan quality of even the most demanding architectural and engineering renderings will be consistent and at the highest level. Based on the proven Océ TDS700 multifunction system with thousands of satisfied customers worldwide, the Océ TDS750 multifunction system can provide dependable performance for years to come.

<b>General</b>	
<b>Description</b>	Productive wide format black & white print/copy/scan system with color scanning
<b>Technology</b>	LED—Océ Radiant Fusing technology with organic photoconductor and closed toner system
<b>Speed</b>	Black & white: 9 D-size/min.
<b>Warm-up time</b>	Instant on
<b>Configurations</b>	Printer or multifunctional with choice of 2 scanners Multifunctional with 1 scanner and up to 5 printers
<b>Roll options</b>	Default: 2 rolls + Cut sheet tray, expandable to a maximum of 6 rolls
<b>Output delivery</b>	Compact and ergonomic Top delivery tray supporting up to 100 collated plots (other options available)
<b>Certifications</b>	EPA ENERGY STAR®, TüV GS, CETECOM, CE, UL, cUL CB, FCC Class B, RoHS
<b>Printer</b>	
<b>Print resolution</b>	600 × 1200 dpi
<b>Paper capacity</b>	Up to 650 ft. per roll, maximum 6 rolls
<b>Output sizes width</b>	8.5" × 36"
<b>Output sizes length</b>	11" to 490'
<b>Paper weight</b>	20–24 lb.
<b>Media type</b> (www.mediaguide.oce.com)	Plain paper, recycled paper, colored paper, transparencies, film, and vellum
<b>Controller</b>	
<b>Controller type</b>	Océ Power Logic® controller
<b>Memory</b>	Standard 2 gb
<b>Hard drive</b>	2 × 250 gb
<b>Page description language</b>	HP-GL, HP-GL/2, TIFF, JPEG, DWF, Adobe® PostScript 3®/PDF CALS-I, NIRS, ASCII, CalComp, C4
<b>Scanner</b>	
<b>Scanner type</b>	Océ TC4 scanner with Océ Direct Scan color technology (single camera, single mirror)
<b>Scan resolution</b>	Optical 575 dpi, maximum 600 dpi
<b>Scan speed</b>	Black & white: 2"-3.3"/sec. (3–5 m/min.) Color: 0.7"-2.8"/sec. (1–4 m/min.)
<b>Scan format</b>	TIFF, PDF/A, JPEG, CALS, multi-page PDF/A and multi-page TIFF
<b>Scan destination</b>	FTP, Network Directory, Controller
<b>Original size width/length</b>	8"-40" / 8"-72'
<b>Original thickness</b>	Up to 0.12" (3 mm) ; Optional scanner up to 0.59" (15 mm)
<b>Scaling</b>	10–1000 %
<b>Preset modes</b>	Lines & text, Photo, Grays & lines, Dark original, Blueprint
<b>Print, copy and scan workflow</b>	
<b>General workflow</b>	Concurrent print, copy, scan and file processing
<b>Submission</b>	Océ Print Exec® Basic software (standard)—web-based submission or Océ Publisher Select software
<b>Job management</b>	Securely monitor and manage system status, settings, network configurations, and updates at the printer or from a remote location View, monitor, and manage print and history queue with secure controller access/rights
<b>Accounting</b>	Océ Account Logic software (standard), Océ Account Console (optional)
<b>Templates</b>	5 copy templates, 5 scan templates, unlimited print templates enables recurring tasks to be performed at the touch of a single button
<b>Options</b>	
<b>Hardware</b>	Océ TC4 wide format color scanner; Océ TDS600 productive wide format scanner; online folder; copy delivery tray; Océ Double Decker Pro stacker; roll loaders to reduce back strain while loading heavy media in the lower drawers
<b>Software</b>	Express software bundle—includes common workflow requirements such as scan-to-file capability (color, grayscale, and black & white) Professional software bundle—provides features for enhanced productivity such as faster scanning speed and Adobe® PDF capability Adobe® PostScript 3®/PDF Océ Repro Desk® Suite software for printing to multiple wide format devices, viewing, and cost tracking

## Creating global leadership in printing

Canon and Océ join forces to create the global leader in the printing industry. For our customers this combines Canon and Océ technology with the support of the Océ direct sales and service organizations. Look to the new Canon-Océ combination for:

- Enterprise printing in the office and corporate printroom
- Large format printing of technical documentation, signage and display graphics
- Production printing for marketing service bureaus and graphic arts
- Business Services for document process outsourcing
